Fresh Ideas for Foodservice at Retail

AN EXPLORATION
OF THE FUZZY,
FAR-OFF FUTURE
OF FOODSERVICE
AT RETAIL

By Abbie Westra

the Fare Forecast

Tropical fruits are making a comeback on menus via new applications. Pineapple is just as likely to be found as a grilled layer to a sandwich, in salsas or dessert as it is gracing a piña colada. Look for ribbons of mango in everything from frozen custard to savory sauces for protein."
